# Already Gone by Kelly Clarkson

Remember all the things we wanted

Now all our memories they're haunted

We were always meant to say goodbye

Even with our fists held high

It never would've worked out right

We were never meant for do or die

I didn't (1)_____ us to burn out

I didn't come here to hold you, now I can't stop

I want you to know that it doesn't matter

Where we take (2)_____ road someone's gotta go

And I want you to know you couldn't have loved me better

But I want you to move on so I'm already gone

Looking at you makes it harder

But I know that you'll find another

That doesn't always make you want to cry

Started (3)_____ a (4)_____ kiss then we could feel the poison set in

Perfect couldn't keep this love alive

You know that I (5)_____ you so, I love you enough to let you go

I want you to know that it doesn't matter

Where we take this road someone's gotta go

And I want you to know you couldn't (6)_____ loved me better

But I want you to move on so I'm already gone

I'm already gone, already gone

You can't make it feel right when you know that it's wrong

I'm (7)_____ gone, (8)_____ gone

There's no moving on so I'm (9)_____ gone

Already gone, already gone, already gone

Already gone, already gone, already gone, yeah

Remember all the things we wanted

Now all our memories they're haunted

We were always meant to say goodbye

I want you to know that it doesn't matter

Where we take this road someone's gotta go

And I want you to know you couldn't have (10)_____ me better

But I want you to move on so I'm already gone

I'm already gone, already gone

You can't make it feel right when you know that it's wrong

I'm already gone, already gone

There's no moving on so I'm already gone
