

No more lonely nights

Fill in the gaps

No More Lonely Nights by Paul McCartney

I can wait (1) day until I call you	You're my guiding light
You only got my heart on a string	Day or night, I'm always there
And everything a flutter	And I won't go away until you tell me so
But another lonely night might take forever	No, I'll never go away
We've only got (2) other to blame	Yes, I know what I feel to be right
It's all the same to me love	No more lonely nights
Cause, I know what I (3) to be right	Never be another
No more lonely nights	No (7) lonely nights
No more (4) nights	You're my guiding light
You're my (5) light	Day or night, I'm always there
Day or night, I'm always there	And I won't go away (8) you tell me so
May I never miss the thrill of being near you	No, I'll never go away
And if it takes a couple of years	I won't go (9) until you tell me so
To turn (6) tears to laughter	No, I'll never go away
I will do what I feel to be right	No more lonely nights
No more lonely nights
