

No more lonely nights

Fill in the gaps

No More Lonely Nights by Paul McCartney

I can wait another day until I call you	You're my guiding light
You only got my heart on a string	Day or night, I'm always there
And everything a flutter	And I won't go away (9) you tell me so
But another (1) night (2) take	No, I'll never go away
forever	Yes, I know what I feel to be right
We've only got each (3) to blame	No more lonely nights
It's all the same to me love	Never be another
Cause, I know what I feel to be right	No more lonely nights
No more lonely nights	You're my (10) light
No more lonely nights	Day or night, I'm always there
You're my guiding light	And I won't go away until you tell me so
Day or night, I'm (4) there	No, I'll never go away
May I never miss the thrill of being near you	I won't go away until you tell me so
And if it takes a couple of years	No, I'll never go away
To turn your (5) to laughter	No more lonely nights
I will do (6) I (7) to be right
