

## Fill in the gaps

I'm down a one-way street	(And something tells me this time I'm down to my last licks)
With a one-night stand, With a one track mind	'Cause if it's over, Then it's over
Out in no-man's land	And it's driving me insane
(The punishment sometimes don't seem to fit the crime)	Take a walk outside your mind
Yeah there's a hole in my soul	Tell me how it (5) to be
But one thing I've learned	The one who (6) the (7) inside of
For every love letter written	me
There's (1) burned	Take a look and you will find there's nothing there girl
(So you tell me how it's (2) be this time)	Yeah I swear, I'm telling you girl yeah ´cause
Is it over, Is it over	There's a hole im my soul that's been killing me forever
'Cause I'm blowin' out the flame	It's a place where a garden never grows
Take a walk outside your mind	There's a hole im my soul, Yeah, I should have known better
Tell me how it feels to be	'Cause your love's like a thorn without a rose
The one who turns the knife inside of me	If it's over, It is over
Take a look and you will find there's nothing there girl	'Cause I'm blowin' out the flame
Yeah I swear, I'm telling you girl yeah 'cause	Take a walk outside your mind
There's a hole im my soul that's been killing me forever	Tell me how it feels to be
It's a place where a garden never grows	The one who turns the knife inside of me
There's a hole in my soul, yeah I should have known better	Take a look and you (8) find
'Cause your love's like a (3) without a rose	There's nothing there girl yeah I swear
I'm as dry as a seven-year drought	I'm (9) you girl, yeah ´cause
I got dust for tears	There's a hole im my soul that's been killing me forever
And I'm all tapped out	It's a place where a garden never grows
(Sometimes I feel broken and can't get fixed)	There's a hole im my soul, Yeah, I should (10)
I know there's (4) all kinds of shoes underneath	known better
your bed	'Cause your love's like a thorn without a rose
Now I sleep with my boots on but you're still in my head	

## 1. another

- 2. gonna
- 3. thorn
- 4. been
- 5. feels
- 6. turns
- 7. knife
- 8. will
- 9. telling
- 10. have
