This Is The Life by Amy Macdonald

Oh, the wind whistles down the cold dark street tonight
And the people they were dancing to the music vibe
And the (1)_____ chase the girls with the curls in their hair
While the shy tormented youth sit way over there
And the songs they get louder each one better than before
And you're singing the songs thinking this is the life
And you wake up in the morning and your head feels twice the size
Where you gonna go? Where you gonna go?
Where you gonna sleep tonight?
And you're singing the songs thinking (2)_____ is the life
And you wake up in the (3)_____ and your head (4)_____ twice the size
Where you gonna go? Where you gonna go?
Where you gonna sleep tonight? Where you gonna sleep tonight?
So you're heading down the road in your taxi for four
And you're waiting (5)_____ Jimmy's front door
But nobody's in and nobody's home 'til four
So you're sitting there with nothing to do
Talking about Robert Riger and his motley crew
And where you're gonna go?
And where you're gonna sleep tonight?
And you're singing the songs thinking this is the life
And you wake up in the morning and your (6)_____ feels (7)_____ the size
Where you gonna go? Where you gonna go?
Where you gonna sleep tonight?
And you're singing the songs thinking this is the life

And you wake up in the (8)_____ and (9)_____ head feels twice the size
Where you gonna go? Where you gonna go?
Where you gonna sleep tonight? Where you gonna sleep tonight?
And you're singing the songs thinking this is the life
And you wake up in the morning and your head feels twice the size
Where you gonna go? Where you gonna go?
Where you gonna sleep tonight?
And you're singing the songs thinking this is the life
And you wake up in the morning and your head feels twice the size
Where you gonna go? Where you gonna go?
Where you gonna sleep tonight?
And you're singing the songs thinking this is the life
And you wake up in the morning and your head feels twice the size
Where you gonna go? Where you gonna go?
Where you gonna sleep tonight?
And you're singing the songs thinking this is the life
And you wake up in the morning and your head feels twice the size
Where you gonna go? Where you gonna go?
Where you gonna sleep tonight? Where you gonna (10)_____ tonight?
