Oh, the wind (1)_ down the cold dark street tonight And the people they were dancing to the music vibe And the boys chase the girls with the curls in their hair While the shy tormented youth sit way over there And the songs they get louder each one better than before And you're singing the songs thinking this is the life And you wake up in the morning and your head feels twice the size Where you gonna go? Where you gonna go? Where you gonna sleep tonight? And you're singing the songs thinking this is the life And you wake up in the morning and your head __ twice the size Where you gonna go? (3)_____ you gonna go? Where you gonna sleep tonight? Where you gonna sleep tonight? So you're heading down the (4)_____ in your taxi for four And you're waiting outside Jimmy's front door But nobody's in and nobody's home 'til four So you're sitting there with nothing to do Talking about Robert Riger and his motley crew And where you're gonna go? And where you're gonna sleep tonight? And you're singing the songs thinking this is the life And you wake up in the morning and your head feels twice the

Where you gonna go? Where you gonna go?

And you're singing the songs thinking this is the life

Where you gonna sleep tonight?

And you wake up in the morning and your head feels twice the
size
Where you gonna go? Where you gonna go?
Where you gonna sleep tonight? Where you gonna sleep
tonight?
And you're singing the songs thinking this is the life
And you wake up in the morning and your (5) feels

Where you gonna go? Where you gonna go?
Where you gonna (7) tonight?
And you're singing the songs thinking this is the life
And you wake up in the morning and your head feels twice the

Where you gonna go? Where you gonna go?
Where you gonna sleep tonight?
And you're singing the songs thinking this is the life
And you wake up in the morning and your head feels twice the

Where you gonna go? Where you (8) go?
Where you gonna sleep tonight?
And you're singing the songs thinking this is the life
And you (9) up in the morning and your head feels
twice the size
Where you gonna go? Where you gonna go?
Where you (10) sleep tonight? Where you
gonna sleep tonight?
