

## Fill in the gaps

From (1) these walls I hear your song	So find your home and settle in
Oh, sweet words	Ohh, I'm (7) to let you in
The music that you play lights up my world	Just as (8) as we know, this (9) is mir
The sweetest that I've heard	Follow the days I've traveled alone
Could it be that I've been touched and turned	In this cold and colorless place till now
Oh Lord, please finally, (2) things are	It's what I had to pay
changing	This land is mine but I'll let you rule
This land is mine but I'll let you rule	I let you navigate and demand
let you navigate and demand	Just as long as you know, this land is mine
Just as long as you know, this land is mine	So (10) your home and settle in
So find your home and settle in	Ohh, I'm ready to let you in
Ohh, I'm ready to let you in	Just as long as we know, this land is mine
Just as long as we know, this land is mine	This land is mine but I'll let you rule
After all the battles and the wars	I let you navigate and demand
The scars and loss	Just as long as you know, this land is mine
Well, I'm still the (3) of my domain	
And feeling stronger now	
The walls are down a little more (4) day	
Since you came, finally, finally things are changing	
This (5) is (6) but I'll let you rule	
let you navigate and demand	
Just as long as you know, this land is mine
