Fill in the gaps

From behind these walls I hear your song Oh, sweet words The music that you play lights up my world The sweetest that I've heard Could it be that I've been touched and turned _____ finally, finally things are changing This land is mine but I'll let you rule I let you navigate and demand Just as long as you know, this land is mine So find your home and settle in Ohh, I'm (2)_____ to let you in Just as long as we know, this (3)_____ is mine After all the battles and the wars The scars and loss Well, I'm still the queen of my domain _____ stronger now The (5)_____ are down a little (6)___ (7)____ day Since you came, finally, (8)_____ things are changing _____ is mine but I'll let you rule This (9)___ I let you navigate and demand Just as (10)_____ as you know, this land is mine

So find your home and settle in
Ohh, I'm ready to let you in
Just as long as we know, this land is mine
Follow the days I've traveled alone
In this cold and colorless place till now
It's what I had to pay
This land is mine but I'll let you rule
I let you navigate and demand
Just as long as you know, this land is mine
So find your home and settle in
Ohh, I'm ready to let you in
Just as long as we know, this land is mine
This land is mine but I'll let you rule
I let you navigate and demand
Just as long as you know, this land is mine
