Fill in the gaps

Nine Million Bicycles by Katie Melua

There are nine million bicycles in Beijing
That's a fact
It's a thing we can't deny
Like the fact that I will love you till I die
We are twelve billion light years from the edge
That's a guess
No one can ever say it's true
But I know that I will (1)_____ be with you
I'm warmed by the fire of your love everyday
So don't call me a liar
Just believe (2)_____ (3)_____ I say
There are six (4)_____ people in the world
More or less
And it makes me feel quite small
But you're the one I love the most of all
We're high on the wire
With the world in our sight
And I'll (5)_____ tire
Of the love (6)_____ you give me every night
There are (7)_____ million (8)_____ in Beijing
That's a fact
It's a thing we can't deny
Like the fact that I will love you till I die
And there are nine million bicycles in Beijing
And you know that I will love you (9)_____ I die
