

Fill in the gaps

There are nine million bicycles in Beijing That's a fact It's a thing we can't deny Like the fact that I will (1)_____ you till I die We are twelve billion light years (2)_____ the edge That's a guess No one can ever say it's true _____ be with you But I know that I will (3)_ I'm warmed by the fire of your love everyday So don't call me a liar Just believe everything (4)_____ I say There are six billion people in the world More or less And it makes me (5)_____ quite small But you're the one I love the most of all

We're (6) on the wire
With the world in our sight
And I'll never tire
Of the love that you give me every night
There are nine million bicycles in Beijing
That's a fact
It's a thing we can't deny
Like the fact (7) I will love you till I die
And there are nine million (8) in Beijing
And you know that I will love you (9) I die
