

Fill in the gaps

Here Without You by 3 Doors Down

A hundred days have (1) me older	And I dream about you all the time
Since the (2) time (3) I saw your pretty	I'm here (19) you baby
face	But you're (20) with me in my dreams
A (4) lies have made me colder	And tonight girl it's only you and me
And I don't think I can (5) at this the same	Everything I know and anywhere I go
But all the miles (6) separate	It gets (21) but it won't take away my love
Disappear now when I'm (7) of your face	And when the (22) one falls, when it's all said and
I'm here (8) you baby	done
But you're (9) on my lonely mind	It gets hard but it won't take away my love, whoa
I think (10) you baby	I'm here without you baby
And I dream about you all the time	But you're still on my lonely mind
I'm (11) you baby	I think about you baby
But you're (13) with me in my dreams	And I (23) about you all the time
And tonight it's only you and me, yeah	I'm (24) without you baby
The miles just keep rollin'	But you're still with me in my dreams
As the people leave their way to say hello	And tonight girl it's (25) you and me, yeah oh yeah
I've heard this life is overrated	oh
But I hope (14) it gets (15) as we	
go, oh yeah yeah	
I'm here (16) you baby	
But you're still on my (17) mind	
I think (18) you baby
