## Have You Ever Really Loved A Woman by Bryan Adams

To really love a woman, to understand her	Oh
You gotta know her deep inside	You've got to (7) her some faith, hold her tight
Hear every thought, see every dream	A little tenderness, you gotta treat her right
An' give her wings when she wants to fly	She will be there for you, takin' good care of you
Then when you find yourself lyin' helpless in her arms	You really gotta love your woman, ya
You know you really love a woman	And when you find (8) lyin' helpless in
When you love a woman	her arms
You tell her, that she's really wanted	You know you really love a woman
When you love a woman you tell her (1) she's the	When you (9) a woman
one	You tell her that she's really wanted
'Cuz she (2) somebody	When you love a woman you tell her that she's the one
To (3) her that it's gonna last forever	'Cuz she needs somebody
So tell me have you ever really	To tell her that it's gonna last forever
