# Have You Ever Really Loved A Woman by Bryan Adams

To really (1) a woman, to understand her	Oh
You gotta know her deep inside	You've got to give her (17) faith, (18)
Hear (2) thought, see every dream	her tight
An' give her wings when she wants to fly	A little tenderness, you gotta treat her right
Then when you find yourself lyin' helpless in her arms	She (19) be there for you, takin' good care of you
You (3) you really love a woman	You really (20) love (21) woman, ya
When you love a woman	And when you find yourself lyin' helpless in her arms
You tell her, that she's really wanted	You know you really love a woman
When you love a woman you tell her that she's the one	When you love a woman
'Cuz she needs somebody	You tell her that she's really wanted
To tell her (4) it's gonna (5) forever	When you love a woman you tell her (22) she's the
So tell me have you ever really	one
Really, really (6) loved a woman?	'Cuz she (23) somebody
Yeah	To tell her that it's gonna last forever
To really love a woman, let her (7) you	So tell me have you ever really
Til' you know how she (8) to be touched	Really, really (24) loved a woman?
You've gotta breathe her, (9) taste her	Yeah
Til' you can feel her in your blood	Just tell me have you (25) really
An' when you can see your (10) children in	Really, really, (26) a woman?
her eyes	Oh
You (11) you really love a woman	Just tell me have you ever really
When you love a woman	Really, really, (28) loved a woman?
You tell her that she's really wanted	
When you (12) a woman you tell her that she's the	
one	
'Cuz she (13) somebody	
To (14) her (15) you'll always be
