

## Fill in the gaps

All I know is everything is not as it's sold
But the more I grow, the less I know
And I have lived so (1) lives, though I'm not old
And the more I see, the less I grow
The fewer the seeds, the (2) I sow
Then I see you standing there
Wanting more from me
And all I can do is try
Then I see you standing there
Wanting (3) me
And all I can do is try, try
I wish I hadn't seen all of the realness
And all the real people are really not real at all
The more I learn, the (5) I learn
The more I cry the (6) I cry
As I say goodbye to the way of life
I (7) I had (8) for me
Then I see you (9) there
Wanting (10) from me

And all I can do is try
Then I see you (11) there
I'm all I'll ever be
But all I can do is try, oh try, try, try
All of the moments (12) already passed
We'll try to go back and (13) them last
All of the things we want each other to be
We never will be, we (14) will be
And that's wonderful, that's life
That's you baby, (15) is me baby
We are, we are, we are
We are, we are (16) in our love
We are free in our love
