

Fill in the gaps

It's been the longest winter without you
I didn't know where to turn to
See somehow I can't forget you
After all that we've (1) through
Go in, come in, (2) I heard a knock
Who's there? No one, thinking (3) I deserved it
Now I realize that I really didn't know
You didn't notice, you mean everything
Quickly I'm learning to love again
All I know is, I'ma be okay
Thought I couldn't live without you
It's (4) (5) when it heals to, oh yeah
It'll all get better in time
Even though I really loved you
I'm gonna smile 'cause I deserve to
It'll all get better in time
How could I turn on the TV
Without something there to remind me?
Was it all (6) easy
To (7) put aside your feelings?
If I'm dreaming, don't wanna let, hurt my feelings
But that's the path, I believe in
And I (8) that, time will heal it
You didn't notice, you mean everything
Quickly I'm learning to love again
