

And we sang, Here we go again

Fill in the gaps

Simona	And though time goes by
You're (1) older	I will always be
Your journey's been etched	In a club with you
On your skin	In 1973
Simona	Singing, Here we go again
Wish I had known that	I would call you up every Sunday night
What seemed so strong	And we'd both stay out 'til the (7) light
Has been and gone	And we sang, Here we go again
I would call you up every Sunday night	And though time (8) by
And we'd both stay out 'til the morning light	I will always be
And we sang, (2) we go again	In a club with you
And (3) time goes by	In 1973
I will always be	Singing, Here we go again
In a (4) with you	I would call you up every Sunday night
In 1973	And we'd both stay out 'til the morning light
Singing, Here we go again	And we sang, Here we go again
Simona	And though time goes by
Wish I was sober	I will always be
So I could see clearly now	In a (9) with you
The rain has gone	In 1973
Simona	Singing, (10) we go again
I guess it's over	And though time goes by
My memory plays out to	I will always be
The same old songs	In a club with you
I would call you up every (5) night	In 1973
And we'd both (6) out 'til the morning light
