

Fill in the gaps

We'll do it all
Everything
On our own
We don't need
Anything
Or anyone
If I lay here
If I just lay here
Would you lie with me
And just (1) the world?
I don't quite know
How to say
How I feel
Those three words
Are said too much
They're not enough
If I lay here
If I just lay here
Would you lie with me
And just (2) the world?
Forget what we're told
Before we get too old
Show me a garden
That's bursting into life
Let's waste time
Chasing cars
Around our heads

I need (3) grace
To remind me
To (4) my own
If I lay here
If I just lay here
Would you lie with me
And (5) forget the world?
Forget what we're told
Before we get too old
Show me a garden
That's bursting (6) life
All that I am
All that I (7) was
All that I (7) was Is (8) in your perfect eyes
Is (8) in your perfect eyes
Is (8) in your perfect eyes They're all I can see
Is (8) in your perfect eyes They're all I can see I don't know where
Is (8) in your perfect eyes They're all I can see I don't know where Confused about how as well
Is (8) in your perfect eyes They're all I can see I don't know where Confused about how as well Just know that (9) things
Is (8) in your perfect eyes They're all I can see I don't know where Confused about how as well Just know that (9) things Will never (10) for us at al
Is (8) in your perfect eyes They're all I can see I don't know where Confused about how as well Just know that (9) things Will never (10) for us at al If I lay here
Is (8) in your perfect eyes They're all I can see I don't know where Confused about how as well Just know that (9) things Will never (10) for us at al If I lay here If I just lay here
