Around our heads

## Fill in the gaps

We'll do it all	I (3) your grace
Everything	To (4) me
On our own	To find my own
We don't need	If I lay here
Anything	If I (5) lay here
Or anyone	Would you lie (6) me
If I lay here	And just forget the world?
If I just lay here	Forget what we're told
Would you lie with me	Before we get too old
And (1) forget the world?	Show me a garden
I don't quite know	That's bursting into life
How to say	All that I am
How I feel	All that I (7) was
Those three words	Is here in your perfect eyes
Are said too much	They're all I can see
They're not enough	I don't know where
If I lay here	Confused about how as well
If I just lay here	Just know that these things
Would you lie with me	Will never change for us at all
And just forget the world?	If I lay here
Forget (2) we're told	If I just lay here
Before we get too old	Would you lie with me
Show me a garden	And (8) forget the world?
That's bursting into life
