

Fill in the gaps

I feel it in my fingers	My mind's (7) up by the way (8) I feel
I feel it in my toes	There's no beginning, there'll be no end
The love that's all around me	'Cause on my love you can depend
And so the feeling grows	I got to keep it moving
It's written on the wind	It's written in the wind
It's everywhere I go	Oh everywhere I go
So if you really love me	So if you really love me, (9) me
Come on and let it show	Come on and let it show
You know I love you, I (1) will	Come on and let it show
My mind's (2) up by the way that I feel	Come on and let it
There's no beginning, there'll be no end	Come on and let it,
'Cause on my love you can depend	Come on and let it show
I see your face before me	Come on and let it,
As I lay on my bed	Come on and let it,
I cannot get to thinking	Come on and let it show,
Of all the (3) you said	Come on and let it show,
You gave your (4) to me and I gave	Come on and let it show
(5) to you	
I need someone (6) me in everything I do	
You know I love you, I always will
