

## Fill in the gaps

I feel it in my fingers	My mind's made up by the way (10)	I feel
I feel it in my toes	There's no beginning, there'll be no end	
The love that's all (1) me	'Cause on my love you can depend	
And so the (2) grows	I got to (11) it moving	
It's written on the wind	It's (12) in the wind	
It's everywhere I go	Oh (13) I go	
So if you really love me	So if you (14) (15)	_ me, love me
Come on and let it show	Come on and let it show	
You know I love you, I (3) will	Come on and let it show	
My mind's (4) up by the way that I feel	Come on and let it	
There's no beginning, there'll be no end	Come on and let it,	
'Cause on my love you can depend	Come on and let it show	
I see (5) face before me	Come on and let it,	
As I lay on my bed	Come on and let it,	
I cannot get to thinking	Come on and let it show,	
Of all the things you said	Come on and let it show,	
You gave your (6) to me and I gave mine to	Come on and let it (16)	
you		
I (7) someone beside me in		
(8) I do		
You know I love you, I (9) will
