

## Fill in the gaps

I call you (1) I need you, my heart's on (2)
You come to me, come to me wild and wild
When you come to me
Give me everything I need
Give me a lifetime of promises and a world of dreams
Speak a language of love like you know what it means
And it can't be wrong
Take my heart and make it strong baby
You're simply the best, better (3) all the rest
Better than anyone, anyone I've (4) met
I'm stuck on your heart, and hang on every word you say
Tear us apart, baby I would rather be dead
In your heart I see the star of every night and (5) day
In your heart I see the star of every night and (5) day  In your eyes I get lost, I get (6) away
In your eyes I get lost, I get (6) away
In your eyes I get lost, I get (6) away  Just as long as I'm (7) in your arms
In your eyes I get lost, I get (6) away  Just as long as I'm (7) in your arms
In your eyes I get lost, I get (6) away  Just as long as I'm (7) in your arms  I could be in no better place
In your eyes I get lost, I get (6) away  Just as long as I'm (7) in your arms  I could be in no better place  You're simply the best, better than all the rest
In your eyes I get lost, I get (6) away  Just as long as I'm (7) in your arms  I could be in no better place  You're simply the best, better than all the rest  Better than anyone, (8) I've ever met
