When the world must come together as one		
There are (3)	dying	
And it's (4) to	lend a hand to life	
The greatest (5)	of all	
We can't go on pretending day by day		
That someone, somewhere will soon make change		
We are all a part of God's great big family		
And the truth you know		
Love is all we need

We are the world, we are the children		
We are the ones who make a brighter day		
So let's (6)	giving	
There's a (7)	we're making	
We're saving our own lives		

It's true, we'll make a better day, just you and me		
Send them your heart so they know that someone cares		
And their lives wi	l be stronger and free	
As God has show	n us by turning (8) to bread	
And so we all must lend a helping hand

When you're down and out, there seems no hope at all		
But if you just believe there's no way we can fall		
Let us realize that a change can only come		
When we stand together as one

It's (9)	we make hetter days just you and me
