

## Fill in the gaps

## You Shook Me All Night Long by Acdc

She was a fast machine	On the (9) line
She (1) her (2) clean	She was one of a kind, she's just (10) all mine
She was the best (3) woman I had ever seen	She (11) no applause
She had the sightless eyes	Just (12) course
Telling me no lies	Made a meal out of me and (13) back for more
Knockin' me out (4) (5)	Had to cool me down
(6) thighs	To take (14) round
Taking more than her share	Now I'm back in the (15) to take
Had me fighting for air	(16) swing
She told me to come but I was already there	'Cause the (17) (18) shaking
'Cause the walls start shaking	The earth was quaking
The (7) was quaking	My (19) was aching
My mind was aching	And we (20) (21) it and you -
And we (8) making it and you -	Shook me all night long
Shook me all night long	
Working double time
