

## Fill in the gaps

Time, it (1) time	Just shouldn't be (19) away.
To win back your (2) again.	I will be there, I (20) be there.
I (3) be there, I will be there.	If we'd go again
Love, only love	All the way from the start,
Can (4) back your (5) someday.	I would try to change
I will be there, I (6) be there.	The things that killed our love.
Fight, babe, I'll fight	Your pride has (21) a wall, so strong
To win back your (7) again.	That I can't get through.
I (8) be there, I will be there.	Is there really no chance
Love, only love	To start once again?
Can (9) (10) the (11)	If we'd go again
someday.	All the way (22) the start,
I (12) be there, I will be there.	I would try to change
If we'd go again	The (23) (24) killed our love.
All the way (13) the start,	Yes I've hurt your pride, and I know
I (14) try to change	What you've been through.
The (15) that killed our love.	You should give me a chance
Your pride has build a wall, so strong	This can't be the end.
That I can't get through.	I'm still (25) you.
Is there really no chance	I'm still loving you,
To start (16) again?	I need your love.
I'm loving you.	I'm (26) loving you.
Try, baby try	Still loving you, baby
To trust in my (17) again.	
I will be there, I (18) be there.	
Love, your love
