Shape Of My Heart by Backstreet Boys

Yeah, yeah, baby, please try to forgive me	I'm (6) with my confession
Stay here, don't put out the glow	Got nothing to hide no more
Hold me now, don't bother	I don't know where to start
If (1) minute it makes me weaker	But to show you the (7) of my hea
You can save me from the man that I've become	I'm lookin' back in things I've done
Oh yeah	I never (8) play the same old part
Lookin' back on the things I've done	Or keep you in the dark
I was trying to be someone	Now let me show you the shape of my heart
I played my part and (2) you in the dark	Lookin' back on the things I've done
Now let me show you the shape of my heart	I was trying to be someone
Sadness is beautiful, loneliness is tragical	I played my part and kept you in the dark
So help me, I can't win (3) war, oh no	Now let me show you the shape of my heart
Touch me now, don't bother	Lookin' back on the things I've done
If (4) second it makes me weaker	I was (9) to be someone
You can save me from the man I've become	I played my part and kept you in the dark
Lookin' (5) on the things I've done	Now let me show you the shape of
I was trying to be someone	Show you the shape of my heart
I played my part and kept you in the dark
