Oh - thinkin' about all our (1) years	Oh - (12) in your life you (13) someone
There was only you and me	Who (14) (15) (16) world
We were (2) and (3) and free	around
Now nothin' can (4) you away from me	Bring you up (17) you're feelin' down
We've been (5) (6) road before	Ya-nothin' (18) change what you (19)
But that's (7) now	to me
You (8) me comin' back for more	Oh there's lots (20) I could say
Chorus	But just hold me now
Baby you're all that I want	Cause our (21) (22) light the way
When you're lyin' here in my arms	Chorus
I'm findin' it hard to believe	I've been waitin' for so long
We're in heaven	For somethin' to arrive
And (9) is all (10) I need	For love to come along
And I found it (11) in your heart	Now our dreams are comin' true
It isn't too hard to see	Through the (23) times and the bad
We're in heaven	Ya - I'll be standin' there by you
