

Fill in the gaps

I got (1) emails	She was with you, yeah
You just don't get females	Now, I (12) care
Now, do you?	About who, (13) or where
What's in my heart	We're through
Is not in (2) head	You'll (14) to cry me out
Anyway	You'll have to cry me out
Mate, you're too late	The tears that'll fall
And you weren't (3) the wait	Mean nothing at all
Now, were you?	It's (15) to get over yourself
It's out of my hands	Baby, you ain't all that
Since you blew (4) (5) chance	Baby, there's no way back
When you (6) me	You can (16) talking
You'll have to cry me out	But baby, I'm walking away
You'll have to cry me out	Gonna (17) to cry me out
The (7) that'll fall	Gonna (18) to cry me out
Mean nothing at all	Boy, there ain't no doubt
It's time to get over yourself	Gonna (19) to cry me out
Baby, you ain't all that	Won't hurt a little bit
Baby, there's no way back	Boy, better get (20) to it
You can (8) talking	You can (21) talking
But baby, I'm (9) away	But baby, I'm walking away
When I found out	You'll (22) to cry me out
How you messed me about	You'll have to cry me out
I was (10) (heartbroken)	The tears that'll fall
Back then I believed you	Mean nothing at all
Now, I don't need you	It's time to get over yourself
No more	You'll Have to cry me out
The pic on (11) phone	You'll (23) to cry me out
Proves you weren't alone
