

## Fill in the gaps

I was so (1) I did not recognize	My pressure on your hips, sinkin' my fingertips into
The fire burnin' in her eyes	(5) inch of you
The chaos that controlled my mind	'Cause I (6) that's what you want me to do
Whispered goodbye and she got on a plane	Now this love has taken its (7) on me
Never to return again	She said goodbye too many times before
But always in my heart	And her heart is breakin' in front of me
Oh, this love has (2) its toll on me	And I have no choice 'cause I won't say goodbye anymore
She said goodbye too many (3) before	This love has taken its toll on me
Her heart is breakin' in front of me	She said (8) too (9) times
And I have no choice 'cause I won't say goodbye anymore	before
I tried my best to feed her appetite	And my heart is breakin' in front of me
Keep her comin' every night	Because she said goodbye too many times before
So hard to keep her satisfied
