Fill in the gaps

When you're close to tears remember	Of love	
Someday it'll all be over	Cause we are gonna be	
One day we're gonna get so high	Forever, you and me	
Though it's darker than December	You will	
What's ahead is a different colour	Always keep it flying high in the sky	
One day we're gonna get so high	Of love	
And at the end of the day remember the days	And at the end of the day (7)	the days
When we were close to the end	When we were close to the end	
And (1) how we made it (2)	And wonder how we (8) it thro	ugh the night
the night	At the end of the day	
At the end of the day	Remember the way	
Remember the way	We stayed so close to the end	
We (3) so close to the end	We'll remember it was me and you
