

Fill in the gaps

I kept the right ones out and let the wrong ones in	And I just can't tell just what tomorrow brings
Had an angel of mercy to see me through all my sins	You have to (8) to crawl before you learn to walk
There (1) times in my life when I was goin' insane	
Tryin' to walk through the pain	But I just couldn't listen to all that righteous talk
And when I (2) my grip and I hit the floor	I was out on the street, just tryin' to survive
Yeah, I tought I could leave but couldn't get out the	Scratchin' to stay alive
(3)	It's amazing with the blink of an eye you finally see the light
I was so sick and tired of livin' a lie	Oh, it's amazing that when the moment arrives that you know
I was wishing (4) I would die	you'll be alright
It's amazing with the blink of an eye you finally see the light	Oh, it's amazing and I'm saying a prayer for the desperate
It's amazing (5) (6) the moment arrives	hearts tonight
(7) you know you'll be alright	Desperate hearts, desperate hearts
Yeah, It's amazing and I'm saying a prayer to the desperate	To all of you people out there (9) you are
hearts tonight	
That one last shot's a permanent vacation	Remember the light at the end of the tunnel may be you -
And a how high can you fly with broken wings	goodnight
Life's a journey - not a destination
