

White Flag by Dido

I know you think that I shouldn't still love you
I tell you that
But if I didn't say it
Well, I'd still have felt it
Where's the sense in that?
I promise I'm not trying to (1)_____ your life harder
Or (2)_____ to where we were
Well I will go down with this ship
And I won't put my hands up and surrender
There will be no white flag above my door
I'm in love and always will be
I know I left too much mess
And destruction to come back again
That I cause nothing but trouble
I understand if you can't (3)_____ to me again
And if you live by the rules of "It's over"
Then I'm sure (4)_____ that makes sense
Well I will go down with this ship
And I won't put my hands up and surrender
There (5)_____ be no white flag above my door
I'm in love and always will be
And when we meet
Which I'm sure we will
all that was there
Will be there still
I'll let it pass

Fill in the gaps

And hold my tongue
And you will think
That I've moved on
Well I will go (6)_____ with this ship
And I won't put my hands up and surrender
There will be no (7)_____ flag above my door
I'm in (8)_____ and always will be
Well I will go down with this ship
And I won't put my hands up and surrender
There will be no white flag above my door
I'm in love and always will be
I will go down with this ship
And I won't put my hands up and surrender
There will be no (9)_____ flag (10)_____ my
door
I'm in love and always will be

Answer

1. make
2. return
3. talk
4. that
