

Fill in the gaps

I know you think (1) I shouldn't (2)	And hold my tongue
love you	And you will think
I tell you that	That I've moved on
But if I didn't say it	Well I will go down with this ship
Well, I'd still have felt it	And I won't put my hands up and surrender
Where's the (3) in that?	There (19) be no white flag above my door
I promise I'm not trying to (4) your life harder	I'm in love and always will be
Or return to where we were	Well I will go down (20) this ship
Well I will go (5) with (6) ship	And I won't put my hands up and surrender
And I won't put my hands up and surrender	There will be no (21) flag above my door
There (7) be no white flag (8) my	I'm in (22) and always (23) be
door	I will go down (24) this ship
I'm in (9) and always will be	And I won't put my (25) up and surrender
I know I left too much mess	There (26) be no white flag above my door
And destruction to (10) (11) again	I'm in (27) and always (28) be
That I cause nothing but trouble	
I (12) to	
me again	
And if you live by the rules of "It's over"	
Then I'm sure (14) that makes sense	
Well I will go down with this ship	
And I won't put my hands up and surrender	
There (15) be no (16) flag above my	
door	
I'm in love and always will be	
And (17) we meet	
Which I'm sure we will	
all that was there	
Will be (18) still	
I'll let it pass
