I know you think that I shouldn't still (1) you
I tell you that
But if I didn't say it
Well, I'd still have felt it
Where's the sense in that?
I promise I'm not trying to make your life harder
Or return to where we were
Well I (2) go down with this ship
And I won't put my hands up and surrender
There will be no white flag above my door
I'm in love and always will be
I know I left too much mess
And destruction to come back again
That I cause nothing but trouble
That I cause nothing but trouble I (3) if you can't talk to me again
<u> </u>
I (3) if you can't talk to me again
I (3) if you can't talk to me again And if you live by the (4) of "It's over"
I (3) if you can't talk to me again And if you live by the (4) of "It's over" Then I'm sure that that makes sense
I (3) if you can't talk to me again And if you live by the (4) of "It's over" Then I'm sure that that makes sense Well I will go down with (5) ship
I (3) if you can't talk to me again And if you live by the (4) of "It's over" Then I'm sure that that makes sense Well I will go down with (5) ship And I won't put my hands up and surrender

And (6) my tongue
And you will think
That I've moved on
Well I will go down with (7) ship
And I won't put my hands up and surrender
There will be no white (8) above my door
I'm in love and always will be
Well I will go (9) with this ship
And I won't put my hands up and surrender
There will be no white flag above my door
I'm in love and always will be
I will go down with this ship
And I won't put my hands up and surrender
There will be no white flag above my door
I'm in love and always will be
