When you're right here by my side

### When You Look Me In The Eyes by The Jonas Brothers

Oh, yeah, oh, yeah	When you look me in the eyes
If the heart is always searching	I catch a glimpse of heaven
Can you ever find a home?	I find my paradise
I've been looking for that someone	When you look me in the eyes
I never make it on my own	Movin' on, I start to realize
Dreams can't take	I can reach my tomorrow
The place of loving you	I can hold my head up high
There's (1) be a million reasons	And it's all because you're by my side
Why it's true	When you look me in the eyes
When you look me in the eyes	And (6) me (7) you love me
And tell me that you love me	Everything's alright
Everything's alright	When you're right here by my side
When you're right here by my side	When I hold you in my arms
When you look me in the eyes	I know (8) it's forever
I catch a glimpse of heaven	I just got to let you know
I find my paradise	I never wanna let you go
When you (2) me in the eyes	'Cause when you look me in the eyes
How (3) will I be waiting	And (9) me that you love me
To be with you again?	Everything's alright
I'm gonna tell you (4) I love you	When you're right here by my side
In the best way that I can	When you (10) me in the eyes
I can't take a day without you here	I catch a glimpse of heaven
You're the (5) that make my darkness disappear	Oh, I find my paradise
When you look me in the eyes	When you look me in the eyes, oh, yeah, ah
And tell me that you love me	
Everything's alright
