

## Fill in the gaps

You are the flame in my heart	You belong to me too
You light my way in the dark	You make my life complete
You are the ultimate star	You make me (14) so sweet
You lift me from up above	Oh I belong to you
Your (1) love	I belong to you
Takes me to paradise	And you, you
I (2) to you	You belong to me too
And you	You make my (15) complete
You (3) to me too	You make me feel so sweet
You make my life complete	Oh I (16) to you
You make me (4) so sweet	I belong to you
You make me feel so divine	And you, you
Your (5) and mind are entwined	You belong to me too
Before you I was blind	You (17) my (18) complete
But (6) I've (7) my eyes	You (19) my life complete
And (8) you there's no disguise	You make me feel so sweet
So I (9) open up my mind	Oh I (20) to you
I always loved you from the start	I belong to you
But I (10) not figure out	And you, and you
That I had to do it everyday	You (21) to me too
So I put (11) the fight	You make my life complete
Now I'm gonna live my life	You make my life complete
Giving you the (12) in every way	You (22) me feel so sweet
I (13) to you	
And you
