

## Fill in the gaps

| I don't (1) your sympathy                |
|--|
| There's nothing you can say or do for me |
| And I don't want a miracle               |
| You'll never (2) for no-one              |
| And I hear your (3) why                  |
| Where did you (4) last night?            |
| And was she worth it, was she (5) it?    |
| Cause I'm strong (6) to live             |
| (7) you                                  |
| Strong enough and I quit crying          |
| Long enough, now I'm (8) enough          |
| To know you gotta go                     |
| There's no more to say                   |
| So save your (9) and walk away           |
| No matter what I hear you say            |
| I'm strong enough to know you gotta go   |
| So you feel misunderstood                |
| Baby (10) I got news for you             |
| On being used, I could write a book      |
| 5  |
| But you don't (11) hear about it         |
| Cause I've (12) losing sleep             |
|  |
| Cause I've (12) losing sleep             |

| That I'm strong enough to live (13)       | you |
|---|-----|
| Strong enough and I (14) crying           |     |
| Long enough, now I'm strong enough        |     |
| To (15) you (16) go                       |     |
| Come hell or (17) high                    |     |
| You'll never see me cry                   |     |
| This is our (18) goodbye, it's true       |     |
| I'm telling you                           |     |
| Now I'm strong enough to (19) without you |     |
| Strong (20) and I quit crying             |     |
| Long enough, now I'm strong enough        |     |
| To know you (21) go                       |     |
| There's no more to say                    |     |
| So save your breath and walk away         |     |
| No matter (22) I (23) you say             |     |
| I'm strong enough to know you (24) go     |     |
