Turn Off The Light by Nelly Furtado

Fill in the gaps

It's getting so lonely inside this bed Don't know if I should lick my wounds or say woe is me instead There's an aching inside my head It's telling me you're better off alone After midnight morning (1)___ And the day will see if you will get some They say (2)_____ girl ya know she act too tough, tough, tough Well, it's till I turn off the light, turn off the light They say that girl you know she act so rough, rough, rough Well, it's till I turn off the light, (3)_____ off the light And I say follow me, follow me, follow me down, down, down, down Till you see all my dreams Not everything in this magical world is quite what it seems I looked above the other day 'Cause I think I am good and ready for a change I live my life by the moon If it's (4)__ _____ play it low, if it's harvest go slow and if it's full then go But after midnight morning will come And the day will see if you're gonna get some They say that girl ya know she act too tough, tough, tough Well, it's till I turn off the light, (5)_____ off the light They say that girl you know she act so rough, rough, rough Well, it's till I (6)_____ off the light, turn off the light ____ me, (8)_ And I say (7)____ follow me down, down, down, down Till you see all my dreams Not everything in this magical world is quite what it seems I'm searching for things that I just cannot see Why don't you, don't you, don't you come and be with me I pretend to be cool with me, want to believe

That I can do it on my own without my heart on my sleeve I'm running, I'm running, catch up with me life Or is it love that I'm looking to find? It's all in me, can't you see, why can't you Why can't you see, it's all in me, yeah All in me, yeah Turn off the light, turn off the light Turn off the light, turn off the light I say (9)_ ____ me, follow me, follow me down, down, down, down Till you see all my dreams Not everything in this magical world is quite what it seems Turn off the light, turn off the light Turn off the light, turn off the light I say follow me, (10)_____ me, follow me down, down, down, down Till you see all my dreams, see all my dreams Follow me, follow me, follow me down, down, down, down Till you see all my dreams, see all my dreams Turn off the light, turn off the light Turn off the light, turn off the light Turn off the light, turn off the light Turn off the light, turn off the light
