

Fill in the gaps

I hear the drums echoing tonight	I (15) to cure what's (16) inside,
But she hears only whispers of some quiet conversation	(17) of this thing that i've become
She's coming in 12:30 flight	Chorus
The moonlit wings (1) the stars that guide	(instrumental break)
me towards salvation	Hurry boy, she's waiting there for you
I stopped an old man (2) the way	It's gonna take a lot to (18) me away from you
Hoping to find some (3) (4)	There's (19) (20) a hundred
words or ancient melodies	men or (21) could ever do
He turned to me as if to say, & amp; quot; hurry boy, it's waiting	I (22) the rains down in africa, i bless the rains
(5) for you"	down in africa
Chorus:	I bless the rains down in africa, i bless the rains
It's gonna take a lot to drag me away from you	(23) in africa
There's (6) that a hundred men or	I (24) the rains (25) in africa
(7) could ever do	Gonna take (26) time to do the (27)
I bless the rains (8) in africa	we (28) had
Gonna take some time to do the (9) we never	
had	
The wild dogs cry out in the night	
As they (10) (11) longing for	
some solitary company	
I know (12) i (13) do what's right	
Sure as (14) rises like olympus	
above the serengeti
