

## Fill in the gaps

Chiquitita, tell me what's wrong	Sing a new song, chiquitita
You're enchained by (1) own sorrow	So the walls came tumbling down
In your eyes there is no hope for tomorrow	And your love's a blown out candle
How I (2) to see you like this	All is (8) and it seems too hard to handle
There is no way you can deny it	Chiquitita, tell me the truth
I can see that you're oh so sad, so quiet	There is no way you can deny it
Chiquitita, tell me the truth	I see that you're oh so sad, so quiet
I'm a (3) you can cry on	Chiquitita, you and I know
Your (4) friend, I'm the one you (5) rely	How the heartaches come and they go and the scars they're
on	leaving
You were always sure of yourself	You'll be dancing once again and the pain will end
Now I see you've broken a feather	You will have no time for grieving
I hope we can patch it up together	Chiquitita, you and I cry
Chiquitita, you and I know	But the sun is still in the sky and shining above you
How the heartaches come and they go and the scars they're	Let me hear you (9) once more like you did before
leaving	Sing a new song, chiquitita
You'll be dancing once again and the pain will end	Try once more like you did before
You will have no time for grieving	Sing a new song, chiquitita
Chiquitita, you and I cry	Try once more like you did before
But the sun is still in the sky and shining above you	Sing a new song, chiquitita
Let me hear you (6) (7) more like you	
did before	
Sing a new song, chiquitita	
Try once more like you did before
