

## Fill in the gaps

Chiquitita, tell me what's wrong	Sing a new song, chiquitita
You're enchained by your own sorrow	So the walls (13) tumbling down
In (1) eyes (2) is no hope for	And (14) love's a blown out candle
tomorrow	All is gone and it seems too hard to handle
How I (3) to see you like this	Chiquitita, (15) me the truth
There is no way you can deny it	There is no way you can (16) it
I can see (4) you're oh so sad, so quiet	I see (17) (18) oh so sad, so
Chiquitita, tell me the truth	quiet
I'm a shoulder you can cry on	Chiquitita, you and I know
Your best friend, I'm the one you must rely on	How the heartaches come and (19) go and the
You were always sure of yourself	scars (20) leaving
Now I see you've broken a feather	You'll be (21) once again and the pain wil
I (5) we can patch it up together	end
Chiquitita, you and I know	You will have no (22) for grieving
How the heartaches come and they go and the scars they're	Chiquitita, you and I cry
leaving	But the sun is still in the sky and (23)
You'll be dancing once again and the (6) will end	(24) you
You will (7) no (8) for grieving	Let me hear you (25) once (26) like you
Chiquitita, you and I cry	did before
But the sun is still in the sky and (9)	Sing a new song, chiquitita
(10) you	Try once more like you did before
Let me hear you sing (11) more like you did before	Sing a new song, chiquitita
Sing a new song, chiquitita	Try once more like you did before
Try once (12) like you did before	Sing a new song, chiquitita
