

## Fill in the gaps

Chiquitita, tell me what's wrong	Sing a new song, chiquitita
You're enchained by your own sorrow	So the walls came tumbling down
n your eyes there is no hope for tomorrow	And your love's a blown out candle
How I hate to see you (1) this	All is gone and it seems too hard to handle
There is no way you can deny it	Chiquitita, tell me the truth
can see that you're oh so sad, so quiet	There is no way you can deny it
Chiquitita, tell me the truth	I see that you're oh so sad, so quiet
'm a shoulder you can cry on	Chiquitita, you and I know
Your best friend, I'm the one you must rely on	How the heartaches come and they go and the scars
You were always sure of yourself	(4) leaving
Now I see you've broken a feather	You'll be dancing once again and the pain will end
(2) we can patch it up together	You will have no time for grieving
Chiquitita, you and I know	Chiquitita, you and I cry
How the heartaches come and they go and the scars they're	But the sun is (5) in the sky and shining above
eaving	you
You'll be dancing once again and the pain will end	Let me hear you (6) once more like you did before
You (3) have no time for grieving	Sing a new song, chiquitita
Chiquitita, you and I cry	Try once (7) like you did before
But the sun is still in the sky and shining above you	Sing a new song, chiquitita
Let me hear you sing once more like you did before	Try (8) more (9) you did before
Sing a new song, chiquitita	Sing a new song, chiquitita
Try once more like you did before
