

## Snuff by Slipknot

### Fill in the gaps

Bury all your secrets in my skin

Is that supposed to be enough?

Come away with innocence and (1)\_\_\_\_\_ me with my sins

I (7)\_\_\_\_\_ wish you weren't my friend

The air around me still feels like a cage

Then I could hurt you in the end

And love is just a camouflage for what resembles rage again

I never claimed to be a saint

So if you love me let me go

Ooh, my own was banished long ago

And run away before I know

It took the death of hope to let you go

My heart is (2)\_\_\_\_\_ too (3)\_\_\_\_\_ to care

So break yourself against my stones

I can't destroy what isn't there

And spit your pity in my soul

Deliver me into my fate

You never needed any help

If I'm alone I cannot hate

You sold me out to save yourself

I don't deserve to have you

And I won't (8)\_\_\_\_\_ to your shame

Ooh, my smile was taken long ago

You ran away, you're all the same

If I can change I hope I never know

Angels lie to (9)\_\_\_\_\_ control

I still press your letters to my lips

Ooh, my love was punished long ago

And cherish them in parts of me that (4)\_\_\_\_\_ every kiss

If you still care don't ever let me know

I couldn't face a life without your lights

If you still care don't ever let me know

But all of that was ripped apart when you refused to fight

So save your breath, I will not care

I think I made it (5)\_\_\_\_\_ clear

You couldn't hate (6)\_\_\_\_\_ to love
