

Fill in the gaps

Bury all your (1) in my skin	Is that (18) to be enough?
Come away with (2) and leave me	I (19) wish you weren't my friend
with my sins	Then I (20) hurt you in the end
The air around me still feels like a cage	I never claimed to be a saint
And love is (3) a camouflage for what resembles	Ooh, my own was (21) long ago
(4) again	It took the death of hope to let you go
So if you love me let me go	So break yourself (22) my stones
And run away before I know	And spit your pity in my soul
My (5) is just too dark to care	You (23) needed any help
I can't (6) what isn't there	You sold me out to (24) yourself
Deliver me into my fate	And I won't listen to your shame
If I'm alone I cannot hate	You ran away, you're all the same
I don't deserve to (7) you	Angels lie to keep control
Ooh, my (8) was (9)	Ooh, my love was punished long ago
(10) ago	If you still care don't ever let me know
If I can change I (11) I never know	If you (25) care don't ever let me know
I still press your letters to my lips	
And cherish (12) in parts of me that	
(13) every kiss	
I couldn't face a life (14) your lights	
But all of that was (15) apart when you	
refused to fight	
So save (16) breath, I (17) not care	
I think I made it very clear	
You couldn't hate enough to love
