

I feel stupid and contagious

Fill in the gaps

Load up on (1) and bring your friends	Here we are now, entertain us
It's fun to lose and to pretend	A mulatto, an albino
She's over-bored and self-assured	A mosquito, my libido
Oh no, I know a dirty word	Yeah, hey, yay
Hello, hello, hello, how low?	And I forget just why I taste
Hello, hello, hello, how low?	Oh yeah, I guess it makes me smile
Hello, hello, hello, how low?	I found it hard, it's hard to find
Hello, hello, hello	Oh well, whatever, nevermind
With the (2) out, it's less dangerous	Hello, hello, how low?
Here we are now, entertain us	Hello, hello, how low?
I (3) (4) and contagious	Hello, hello, how low?
Here we are now, entertain us	Hello, hello, hello
A mulatto, an albino	With the (8) out, it's (9) dangerous
A mosquito, my libido	Here we are now, (10) us
Yeah, hey, yay	I feel stupid and contagious
I'm worse at what I do best	Here we are now, entertain us
And for this gift I feel blessed	A mulatto, an albino
Our little group has always been	A mosquito, my libido
And always (5) until the end	A denial, a denial
Hello, hello, hello, how low?	A denial, a denial
Hello, hello, hello, how low?	A denial, a denial
Hello, hello, hello, how low?	A denial, a denial
Hello, hello, hello	A denial
With the (6) out, it's less dangerous	
Here we are now, (7) us
