If I could reach the stars
I'll (1) one down for you
Shine it on my heart
So you could see the truth
And then love inside
Is everything it seems
But for now I find
It's only in my dreams
If I can change the world
I would be the sunlight in your universe
You (2) think my love would really something
good
Baby if I could change the world
If I were a King
Even for a day
I'd take you around my queen
I'd have it no (3) way
And our (4) would rule
This kingdom we have made
Till then I'd be a fool
Wishin' for the day

That i can change the world
would be the sunlight in your universe
You would think my (5) would (6)
something good
Baby if I could change the world
Baby if I (7) change the world
could change the world
would be the sunlight in your universe
You would (8) my love would really something
good
Baby if I could, if I could change the world
f I could, If I could
If I could (9) the world
f I could, if I could
f I could change the world
f I could, if I could
f I could change the world
f Louid change, if Louid change the world
