

Fill in the gaps

I guess this time you're really leaving	I know you (13) we're had some good times
I (1) (2) suitcase say goodbye	How they have their own (14) place
And as my (3) heart (4) bleeding	I can (15) you tomorrow
You say true love in suicide	But I can't buy (16) yesterday
You say you're (5) a thousand rivers	And Baby you (17) my hands are dirty
And now you're (6) for the shore	But I wanted to be (18) valentine
You left me (7) in my tears	I'll be the water when you get thirsty, baby
And you won't (8) me anymore	When you get drink, I'll be the wine
Now I'm praying to God you'll give me one (9)	Chorus
chance, girl	Solo
Chorus:	And I wasn't (19) when you (20)
I'll be there for you	happy
These five words I (10) to you	I wasn't (21) when you were down
When you breathe I (11) to be the air for you	I didn't mean to (22) (23) birthday, baby
I'll be (12) for you	I wish I'd seen you (24) those candles out
I'd live and I'd die for you	Chorus
Steal the sun from the sky for you	
Words can't say what a love can do	
I'll be there for you
