I Love You by Celine Dion

I must be crazy now
Maybe I dream too much
But (1)_____ I think of you
I (2)_____ to feel your touch
To whisper in your ear
Words that are old as time
Words only you would hear
If only you were mine
I wish I (3)_____ go back to the very first day I saw
you
Should've made my move when you (4)_____ in my
eyes
'Cause by now I know (5)_____ you'd feel the way that I
do
And I'd whisper these (6)_____ as you'd lie here by my
side
I (7)_____ you, please say
You love me too, these three words
They could change our lives forever
And I promise you that we (8)_____ always be together
Till the end of time
So today, I (9)_____ find the courage
(10)_____ inside
Just to walk right up to your door
But my body can't move when I (11)_____ get to
it
Just like a thousand times before
Then without a word he handed me this letter
Read I hope (12)_____ finds the way into your heart, it
said
I love you, (13)_____ say
You love me too, these three words
They could change our (14)_____ forever
And I promise you that we will (15)_____ be
together

Till the end of time
Well maybe I, I need a little (16)_____ yeah
And maybe I, I need a (17)_____ care
And maybe I, maybe you, (18)_____ you, maybe you
Oh you need somebody just to hold you
If you do, just (19)_____ out and I'll be there
I love you, please say
You love me too
Please say you love me too
Till the end of time
These three words
They could change our (20)_____ forever
And I promise you (21)_____ we (22)_____ always
be together
Oh, I love you
Please say you (23)_____ me too
Please please
Say you (24)_____ me too
Till the end of time
My baby
Together, together, forever
Till the end of time
I love you
I will be your light
Shining bright
Shining through (25)_____ eyes
My baby
