

Fill in the gaps

I must be crazy now	Till the end of time
Maybe I dream too much	Well (23) I, I need a little love yeah
But when I think of you	And maybe I, I (24) a little care
I long to feel your touch	And maybe I, maybe you, maybe you, maybe you
To (1) in your ear	Oh you need (25) just to hold you
Words (2) are old as time	If you do, just reach out and I'll be there
Words only you would hear	I love you, please say
If (3) you were mine	You love me too
I (4) I could go back to the very (5)	Please say you (26) me too
day I saw you	Till the end of time
Should've made my move when you (6) in my	These three words
eyes	They could change our lives forever
'Cause by now I know that you'd (7) the way	And I promise you (27) we will always be together
(8) I do	Oh, I love you
And I'd whisper these (9) as you'd lie here by my	Please say you (28) me too
side	Please please
I (10) you, please say	Say you love me too
You love me too, these three words	Till the end of time
They could change our (11) forever	My baby
And I promise you that we (12) always be together	Together, together, forever
Till the end of time	Till the end of time
So today, I finally find the courage deep inside	I love you
Just to walk right up to your door	I will be your light
But my (13) can't move (14) I finally get	Shining bright
to it	Shining through your eyes
Just like a (15) times before	My baby
Then without a word he (16) me	
(17) letter	
Read I hope (18) (19) the way into	
your heart, it said	
I love you, (20) say	
You (21) me too, these three words	
They (22) change our lives forever	
And I promise you that we will always be together
