Love You by Celine Dion

And I promise you that we will always be together

Fill in the gaps

I must be crazy now	Till the end of time
Maybe I dream too much	Well maybe I, I need a little love yeah
But (1) I think of you	And maybe I, I need a little care
I long to feel your touch	And maybe I, maybe you, maybe you, maybe you
To whisper in your ear	Oh you need somebody just to hold you
Words (2) are old as time	If you do, just reach out and I'll be there
Words only you would hear	I love you, please say
If (3) you were mine	You love me too
I wish I (4) go back to the very first day I saw	Please say you love me too
you	Till the end of time
Should've made my move when you looked in my eyes	These three words
'Cause by now I know that you'd feel the way that I do	They could change our lives forever
And I'd whisper (5) words as you'd lie here by	And I promise you that we will always be togethe
my side	Oh, I love you
I love you, please say	Please say you love me too
You love me too, these three words	Please please
They (6) change our lives forever	Say you love me too
And I promise you that we will always be together	Till the end of time
Till the end of time	My baby
So today, I finally (7) the courage deep inside	Together, together, forever
Just to walk right up to your door	Till the end of time
But my body can't move when I finally get to it	I love you
Just (8) a (9) times before	I will be your light
Then without a word he handed me this letter	Shining bright
Read I (10) this finds the way into your heart, it	Shining through your eyes
said	My baby
I love you, please say	
You love me too, these three words	
They could change our lives forever	

- 1. when
- 2. that
- 3. only
- 4. could
- 5. these
- 6. could
- 7. find
- 8. like
- 9. thousand
