With A Little Help From My Friends by The Beatles

(Lennon/McCartney)	I (4) to love
Billy Shears	(Would you believe in a (6) at first sight?)
What would you think if I sang out of tune	Yes I'm certain that it happens all the time
Would you stand up and walk out on me?	(What do you see when you turn out the light?)
Lend me your ears and I'll sing you a song	I can't tell you, but I know it's mine
And I'll try not to sing out of key	Oh I get by (7) a little help from my friends
Oh I get by with a (1) help from my friends	Mm I get high with a little help from my friends
Mm I get high with a (2) help from my friends	Oh I'm going to try with a little help from my friends
Mm going to try with a little help from my friends	(Do you (8) anybody?)
What do I do when my love is away?	I just need somebody to love
(Does it worry you to be alone?)	(Could it be anybody?)
How do I feel by the end of the day?	I (9) somebody to love
(Are you sad because you're on (3) own?)	Oh I get by with a (10) help from my friend
No I get by with a little help from my friends	Mm going to try with a little help from my friends
Mm I get high with a little help from my friends	Oh I get high with a little help from my friends
Mm going to try with a little help from my friends	Yes I get by with a little help from my friends
(Do you need anybody?)	With a little help from my friends
I need somebody to love
